Major Events	Volunteer Opportunities	Things We Need
<ol style="list-style-type: none"> Demo Day: Graduating Bootcamp students showcase their learning and pitch their skills to the business community who is looking for new talent. These generally happen the second to last day of each Bootcamp. The next is scheduled for August 31, 2017. Bootcamp graduation: Bootcamp graduates invite family and friends to share in the celebration of their completion of the program. Field trips to local tech companies so that students can hear about jobs using coding. These are generally to companies that might hire the students. 	<p>Coding coaches who can attend Community hours on Tuesday and/or Thursdays between 3:30 & 6pm and support students in attendance.</p> <p>Job search mentors who can steward and support students through the job search process, providing them with introductions and help them network to job opportunities.</p> <p>Event planners who can support our efforts to develop small, intimate fundraiser-to-fundraiser events.</p>	<p>Office Supplies Laptops. We have laptops for our students to use in class, but would benefit from more so that we can allow them to check them out for homework, if they don't have their own.</p> <p>Items for Fundraisers Connections to beverage and food purveyors who may consider significantly discounted rates or donations.</p> <p>In-Kind Services Fundraising/event coordination Copy/printing services Office space</p>
